MONTALA

Words from the Principal

On behalf of the faculty and staff, I would like to dedicate this yearbook to the students of Montevallo High School. I have thoroughly enjoyed the way in which the students and the Montevallo community have taken me in and made me feel so at home. The warm and welcoming atmosphere at MHS says a great deal about the character and leadership of the students and faculty that have been a part of the school's rich history. I encourage every student to reflect carefully on what their contribution will be or has been in continuing to build upon that history. We are all given opportunities to affect the lives of others through our daily interactions and I challenge the MHS family to strive everyday to make our school and community the best that it can be. A student's success in high school requires self-discipline, perseverance, and dedication to improving everyday. The graduating class of 2009-2010 has consistently demonstrated the dedication and sense of purpose needed to achieve excellence. I would like to commend you on your accomplishments and encourage you to let all of the people who played a role in your success know how important that they have been to you. There is so much life in front of you. Never become satisfied or complacent, and never cease to seek growth and wisdom.

Mr. Derek Dearman, Montevallo High Principal

I hope you never fear those mountains in the distance

Never settle for the path of least resistance

Living might mean taking chances

But they're worth taking

Lovin' might be a mistake

But it's worth making

Don't let some hell bent heart

Leave you bitter

When you come close to selling out

Reconsider

Give the heavens above

More than just a passing glance

And when you get the choice to sit it out or dance

I hope you dance

WE LOVE YOU TOOKIE!

Clark Greer

Though You Are Grown by Cynthia A. Sieving

I remember years ago,
you were so little then.
Sometimes,
I can't help but wish,
that you were small again.
I've cried when you've faced heartaches, and
saw, that as you grew,
nothing broke your Spirit,
instead it strengthened you.
I'm filled with mixed emotions,
as I hold back all the tears
and, with much pride remember,
back so many years.
When I first held you in my arms,
if only I'd have known,
the years would feel like moments,
after you had grown.
You aren't a child,
though in my eyes,
I guess you'll always be,
that baby boy who changed my life,
and means the world to me.

Clark, we are so proud of you and the
caring, honest, giving young man of God
that you've become!

We love you!
Mom and Dad

During the eight years that Coach Adair was at Montevallo High School, he touched the lives of many students. The years with us were short, but the influence on our lives will last through the generation.
